

Combo Hitch

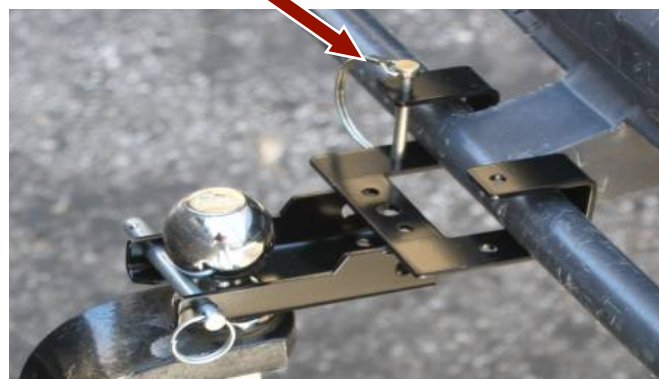

Installation Instructions v.4

A versatile towing accessory for home and gardens

3/8" Retainer Pin secures under a 1-7/8" or 2" trailer ball. - 2" Ball works best

★ 1/4" PTO handle Pin

When hauling trash cans we suggest height between 14"- 21" allowing for approximately 30% of the cans weight to be resting on the support arm

To haul hitch pin lawn and garden tools
use the 3/8" center hole to secure equipment
for towing. (3/8" - Hitch pin is not supplied)

Warnings:

- Keep all nuts tightened
- Do Not exceed 15 MPH, or 75 lbs.
- Do Not carry passengers
- Do Not use on public roads

Turn off vehicle and put in park before attaching your Garbage Hook.

****Garbage Hooks are designed for towing, DO NOT backup with cans attached. Damage may accrue****
